

Summoned warriors!

Don't waste your stamina in a place like this.

Hold your horses, Helick!

It's straight.

Take a good look at my roots.

Eh?

Now  
then, go!  
You'll be  
their legs!

Even  
though your  
wounds hurt,  
do your best!

*Routa!*

**Vamirio-  
samaaa!!**

How does  
she know  
about that-

**Charami  
is in hyper-  
space!**

**You need  
to save  
her too,  
somehow!**

**I under-  
stand!  
You've  
helped  
us a lot,  
Routa!**

Alright, at  
this range, my  
powers should  
reach it as well.

○○

A sacred  
beast,  
huh...?

This is  
reassuring

○●

I  
understand.

Although  
he's on  
the verge  
of death,  
you must  
keep your  
wits about  
you until  
the very end.

Plus,  
Mikuroo...

!!

From  
this point  
forward, you  
guys will head  
out on your  
own.

And  
there's  
no time  
to take  
things  
slow.

Your  
body  
hasn't  
in  
peak  
condition.

I  
think  
this  
goes  
without  
saying, but  
hyperspace  
is a dangerous  
place.

Yeah.

Thanks  
for  
everything.  
#Audora

Yeah.

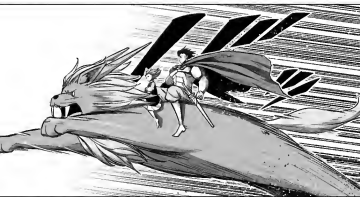

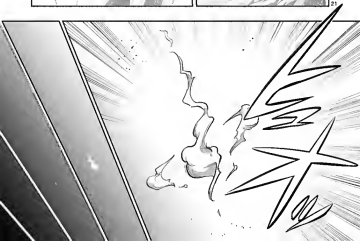

Ororon,  
we're  
counting  
on you!

Anne!

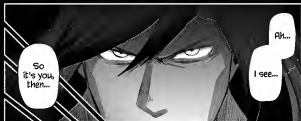

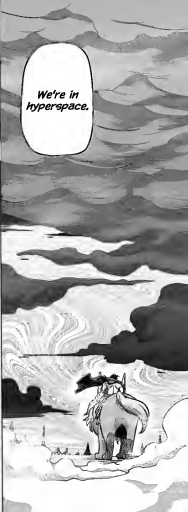

*We're in hyperspace.*

**Snow!**

That  
light...

That's  
Charami's  
snow!

Let's go!  
I'm sure  
Cless is  
there too!

Right!

Ororon!
